

URGENT CALL TO ACTION! WE NEED YOU!

The City of San Diego is meeting Monday, October 27th to decide the fate of our river valley! This is your chance to let the City leaders know how much this open space in our community means to you!

Surf Sports is moving swiftly and behind closed doors to remove the deed restrictions to the former polo fields and negotiate an addendum to their lease that would hand them unbridled control of the City-owned fields with no end date-and allow them to continue to reap vast profits from exploitation of public land!

**NONE OF THESE MANEUVERS BENEFIT THE SURROUNDING COMMUNITIES!
OR THE TAXPAYERS!**
